The Atrium

WRT's head office is located in the Atrium; a landmark office building in Amsterdam. The Atrium is located next to the World Trade Center, right in the hart of Amsterdam's business district.

You can recognize the Atrium by its brown marble exterior and vitreous atrium.

The main entrance of the Atrium is at the Strawinskylaan. That is where you will find the front desk and the elevators.

Coming from the parking garage or the station, you will enter the building from the back. To get to the front desk you will then have to take the escalator to the 1st floor.

Our office is situated on the 4th floor, which can be reached by elevators.
